

ABSTRACTS

Call for Abstracts – Oral and Poster Presentations

5th Annual National Prevention Conference 2018

Conference abstracts are invited for submission no later than Friday 12th October 2018. We welcome all abstracts giving details of clinical practice, projects, and research within cardiovascular prevention and rehabilitation. In line with our conference theme, submissions showcasing innovative examples of 'Prevention Matters – *Making the Difference*' within the field will be particularly welcome.

The best abstracts will be invited to submit their poster which will be featured in the poster exhibition area.

There will be an award for the Best Poster presented at the close of the Conference.
