

ABSTRACTS

Call for Abstracts – Oral and Poster Presentations

9th Annual National Prevention Conference 2022

Conference abstracts are invited for submission no later than Friday 16th September 2022. We welcome all abstracts giving details of clinical practice, projects, and research within cardiovascular prevention and rehabilitation.

The best abstracts will be invited to submit their poster at The National Prevention Conference in the Sheraton Athlone Hotel on the 18th November. Successful applicants will also submit a 3-minute video presenting their work, which will be featured in the online Research Expo.

There will be an award for the Best Poster presented at the close of the Conference.

Abstract Submission Guidelines:

- Submit abstracts at www.nipc.ie
- Be no more than 250 words in length, (excluding the title, authors' names, addresses and any references).
- Include a title in CAPITAL LETTERS
- Include the authors and surname of the author(s) without titles / degrees, with corresponding affiliations in the format: department(s), institution(s) and city(ies)/town(s) (e.g. School of Medicine, National University of Ireland, Galway (NUIG), National Institute for Preventive Cardiology).
- The abstract should contain 4 paragraphs (where appropriate):
(i) Background and Aim (ii) Methods (iii) Results (iv) Conclusion
- Ensure your abstract is sent in the correct academic scientific format.
- Submit no later than 23:59 on Friday 16th September

Accepted abstracts will present their poster in A0 portrait size in-person at the National Prevention Conference. The video presentation should be no-longer than 3 minutes. If you have not received an email confirmation of receipt from the NIPC within 10 working days of submission, please email info@nipc.ie or call +353 (0) 91 893299

All poster presenters need to register for the conference and be available at an allocated time to answer questions from the judges.

For further details about the conference please email info@nipc.ie
